Spotlight on a job – Traineeship

**T3929/2008 – Various Locations – Department for Transport, Energy and Infrastructure
(five trainee positions available)**

Learn to operate modern, well-maintained plant on a daily basis. Trainees will join Construction or Maintenance Gangs with opportunities to work in Outback South Australia. Most Gangs work via a roster system - 18 days work and 10 days break. Unique opportunities exist with the Department for Transport, Energy and Infrastructure to undertake 3 year traineeships in road construction and maintenance teams working across the State, including outback areas.

Note: Please register your interest to Kirsty Lange, telephone 08 8638 5532, email kirsty.lange@saugov.sa.gov.au. All interested applicants will be required to attend a compulsory information session.

Did you know?

If you are lucky enough to be asked to attend an interview make sure you write down all of the details. If you do not have a pen and paper because you are away from home, politely ask them to call back at a time more convenient. Make sure you have the following information before ending the call; contact name, contact number, address, time, day or if you are required to bring anything. Also if you have applied for several positions and do not know which one they are talking about just say "I have applied for multiple positions may I please asked which area this interview is located within?"
