

ATEC Fork Lift Driving Licence Qualification (for Experienced Drivers – 18 yo+)

Part of Cert 1 Metal & Engineering Industry Training Package (MEM 10105 V 2.2)

This course has been devised to provide students with the basic skills necessary to drive a forklift and to gain practical experience. Students are expected to undertake 30 hrs homework prior to the course at Lonsdale.

This course is for students who have very good co-ordination and have had some experience steering either on-road or off-road vehicles (car, motor bike, go cart, tractor) only and is shorter in duration than the course for Beginners.

Desired attributes:	Have driving experience by regularly driving or steering a vehicle (as above) and have good co-ordination skills. Students must be 18 years of age.
Career Pathways:	This qualification and experience is very useful for a number of industries including transport and logistics, metal and engineering, civil construction, general construction. Refer to www.myfutures.edu.au for career pathway information.
Location:	ATEC, cnr Dyson & Refinery Rd, Lonsdale Near Lonsdale railway station (best) – 724 & 734 buses (low frequency)
Duration:	2 consecutive full days (together) Class 1 Mon/Tues 4 th & 5th June (wk 7 T2) 2012 Class 2 Mon/Tues 18 th & 19th June (wk 9 T2) Class 3 Mon/Tues 10 th & 11th September (wk 9 T3) Class 4 Mon/Tues 15 th & 16th Oct (wk 2 T4) Class 5 Wed/Thurs TBA
Training provider:	ATEC RTO 0022
Times:	8.00 am sharp – 3.30 pm. (NB dismissal time depends on class progress – ie may get out earlier)
Approx Cost:	RTO fee = \$230.00 (2011) Brokerage fee = \$77.00 (inclds GST) Total fee = \$307.00 Please note: once the course is completed, the student will need to pay \$67 to Safe workSA (at Post Office) to apply for & receive their licence. There is a time limit on this – if this application is not undertaken in time, the course must be repeated.
Work Placement:	Nil – not applicable
Student requirements:	⇒ Must be 18 years of age to undertake this training and to receive a forklift licence. ⇒ Proof of identity (DoB or age and photo) must be presented on the first day. ⇒ Must have had some steering experience of a motorised vehicle (forklift steering is more difficult than that of a power assisted 4 wheel vehicle) ⇒ Having a driving licence is NOT a prerequisite, but ownership is preferred . NB: even with a forklift licence, it is illegal to drive a forklift on roads or any area the public can access without a normal car driving licence). ⇒ Students must wear steel capped boots and neat working clothing – jeans, overalls OK. ⇒ To improve quality each student will be issued with a booklet, with the expectation they will read and study prior to the course to gain knowledge for subsequent testing. ⇒ If ill, it is expected that the student will phone the Automotive Office on 8186 5299 the morning of the absence. ⇒ No shops nearby – lunch van calls (more expensive than school canteens)
Contact:	
Class restraints:	Maximum of 6 students per class, minimum of 6
School requirement:	Student selection criteria: This class is for students with driving experience who regularly drive or steer a vehicle (car, motor bike, go cart, tractor) and who have good coordination skills. Forklifts can be difficult to control.

Code	Unit	Nominal hours
MEM11.10B	Operate mobile load shifting equipment	40
	Total hours (5 SACE credits)	40 hrs
