Important Notes

- Each of the CP@W courses listed above will only go ahead if there is sufficient student demand.
- Course start dates, duration, hours (nominal) are indicative only at this time and are subject to change.
- **Information on each course option is available from our website**, with confirmation of ALL details by mid-term 4 (including RTO, location, costs, SWL).
- Hours for each course are nominal, & do not necessarily reflect the number of hours spent in training on the course, however nominal hours can count towards completing SACE units.
- A Structured Workplace Learning (SWL) placement may be required for full certificate courses which would be in addition to the nominal hours for the course.
- CP@W can assist students to source a suitable SWL placement if required
