

Vocational Training Course Enrolment Form 2010

There is a cost for students to undertake any course offered in our Vocational Training Taster course & Certificate course options list, which covers the Registered Training Organisations (RTOs) cost for delivering the course.

Student involvement in any of these courses, and arrangements regarding payment of the course fees must be discussed with the school VET Co-ordinator prior to enrolment. Once signed, this form commits the student / parent to payment for the course prior to commencement. Note that most RTOs have a "no refund policy" (except in exceptional circumstances) should a student change their mind or not attend, and the full course cost will still be payable by the student / parent.

Bookings will be taken on a "first come – first served" basis, with confirmation or otherwise of a place on the nominated course made within one week of receiving this enrolment form from the VET Co-ordinator/Case Manager.

Submit this completed form to your School's VET Co-ordinator (or Case Manager if a FLO student) for processing.
