# Youth Career Development Service

## What is it?

A **FREE** career guidance and assistance program, including some of the following services;

- Job Search assistance
- Interview and selection skills and support
- Assistance with your Resume
- Career & Life planning workshops
- Ongoing coaching and assistance

## Who is it for?

Young people (15—24 years old) who -

- are not in full-time study at school, TAFE or Uni,
- live in Onkaparinga or Marion Council areas,
- are unemployed or under-employed, and
- would like some support

**Referrals being taken NOW for 2009**  
**Contact Ph: 8207 3814**

Southern Futures is endorsed by SA Works as an agency able to provide career development services to young people from the Onkaparinga and Marion Council areas.

*This service is **FREE** to eligible participants.*

Each participant will meet individually with an experienced Career Consultant who will determine the level of career guidance and support that will help establish a clear direction to employment, further education and/or training.

### **Where can I access the Service?**

Southern Futures office is located at Noarlunga Centre, which is ideally situated for young people who live in the Onkaparinga Council area.

We are happy to arrange appointments in the Marion Council area for young people who live in the region.

## Southern Futures Career Development Service

Each young person will receive an individual service, based on their needs.

This will vary from person to person and could range from basic advice on a Resume through to much more. Examples of other types of support available include the following;

- Development of a job search portfolio and a self-marketing toolkit
- Vocational Assessment and career profile
- Resume preparation / update
- Application / cover letter
- Interview Skills and preparation
- Personal presentation
- Ongoing case management and coaching to achieve goals.
