Important Notes

- Each of the Southern Futures & FEVER courses listed above will only go ahead if there is sufficient student demand.
- Course start dates, duration, nominal hours are indicative only at this time and are subject to change.
- **Information on each course option is available from our website**, with confirmation of ALL details by mid-term 4 (including RTO, location, costs, SWL).
- Nominal Hours for each course does not necessarily reflect the number of hours spent in training on the course, however nominal hours can count towards completed SACE units.
- A Structured Workplace Learning (SWL) placement may be required for full certificate courses which would be in addition to the nominal hours for the course.
- Southern Futures and FEVER can assist students to source a suitable SWL placement if required

Process to Register Interest

- Students are required to complete and **lodge a Registration of Interest Form with Southern Futures & FEVER by Friday 17th October** (end of week 1, term 4).
- All registration forms received will be acknowledged in writing and further information and details regarding enrolment will be provided at that time.
- The Registration of Interest Form is available to download from our website – www.bluechilli.org.au
