Help your students explore career ideas and learn new skills

Enter the **myfuture** student video competition and win multi-media equipment for your school.

The aim of the competition is to assist young people to explore career ideas through producing a short video about an occupation that interests them. Individual students and groups are encouraged to enter.

Videos that meet the judging criteria will be featured on **myfuture.edu.au**, Australia's national career information service, and finalists aired on the Crew TV program, broadcast across Australia on SBS Television.

Winners will receive a share of the \$5000 prize pool.

The competition is supported by a wide range of complimentary educational resources and the Crew TV program will broadcast regular tips and career stories.

Visit www.thecrew.net.au to register.

The **myfuture** Student Video Competition is an Australian Government initiative, managed by Education.au and produced by the Crew program, broadcast on SBS Television on Mondays at 5.00pm.

*Exploring **myfuture** training sessions for professionals*

myfuture.edu.au is widely used in schools and the community, by students and adults, for career and transition planning.

*Exploring **myfuture** training is designed for teachers, career practitioners, VET co-ordinators, transition advisers, and community workers.*
